

AL300ULXR

### Overview

is a 24V 6.25A power supply

### Specifications

#### Input:

- 100V AC
- 50/60Hz

#### Output:

- 24V DC
- 6.25A
- 150W
- 100% Duty Cycle
- 100% Efficiency
- 100% Load Regulation

#### Battery Backup:

- 12V
- 10Ah
- 120Wh
- 100% Efficiency

#### Supervision:

- Over Voltage
- Under Voltage
- Over Temperature

#### Visual Indicators:

- Power On
- Power Off

#### Electrical:

- 100V AC
- 50/60Hz
- 100% Efficiency
- 100% Load Regulation

#### Mechanical:

- 100% Efficiency
- 100% Load Regulation
- 100% Efficiency
- 100% Load Regulation

### Agency Approvals

UL 100V AC 50/60Hz 100% Efficiency 100% Load Regulation

MEA Approved

MSE Approved

**Enclosure Dimensions (H x W x D) (approximate):**

19" D x 31" W
